Hello Everyone!

If you are an annual member, your 2020 membership will continue through 2021.

Due to the covid-virus, our programs will try to restart in May.

As time goes on, we are all getting older. We cannot keep doing our jobs forever. We need "new blood" to take over our positions as officers of the Fabius Historical Society. The treasurer has already retired. Would you, or anyone you know, be able to fill the position of treasurer, president, vice-president, or secretary? It would be wonderful if you could help.

I plan on continuing to operate the Pioneer Museum during June, July and August. Someone could help me from time to time.

Programs of interest to local people are getting harder to find. Do you know of possibilities that would be available for 2022?

I'm hoping for positive responses. Thank you.

Sandy
