Hi Everyone!

This newsletter will be very brief as I will making copies at home.

Normally, I go to UPS where they make multiple copies of several pages and staple them together for me.

As of now the June program has be postponed until next year. With the virus still somewhat active, I'm not sure what will happen with the July program. If we have your e-mail address, an announcement will be sent to you if it is still on or not.

There have been predictions that the virus could return next winter.

I have been thinking that it might be wiser and safer to reduce our programs for 2021 to occur from May to December. It is no fun having to cancel month after month. Since you are a member, I would appreciate it if you would share your thoughts with me. My contact info is at the top of this page.

Thank you, Sandy
